INVENTIO AG,

Plaintiff,

-against-

OTIS ELEVATOR COMPANY,

Defendant.

Civil Action No.: 06-CV-05377 (CM) (THK)

MEMO ENDORSED

**INVENTIO AG'S NOTICE OF MOTION FOR RECONSIDERATION OF COURT'S
JUNE 24, 2011 ORDER GRANTING OTIS'S MOTION IN LIMINE NO. 6**

6/28/2011

The motion is
DENIED. My
reasoning is set forth in
my decision and all you are
doing is making the same
argument again. There is no
evidence in the record that the
patent created all or even
a substantial part of the
over component parts.
The evidence is simply not there!

PLEASE TAKE NOTICE that Plaintiff Inventio AG ("Inventio") will and hereby does move this Court, before the Honorable Colleen McMahon, United States District Judge, at the United States Courthouse, located at 500 Pearl Street, Courtroom 14C, New York, New York 10007, for reconsideration of the Court's June 24, 2011 Order granting Otis's Motion *in limine* No. 6 on the entire market value rule.

Inventio bases the motion on this notice and the concurrently filed memorandum of points and authorities.

Dated: June 27, 2011

Respectfully submitted,

/s/ Jon W. Gurka
